

## CAST MR-16 Bullet (CBL1CB) Product Information

### The CAST Solid Bronze MR-16 Bullet – Rugged, Beautiful and Affordable

#### Description:

This rugged solid bronze MR-16 fixture is known as the workhorse of landscape lighting. It is virtually indestructible, weathers to a beautiful patina and survives the harshest of environmental conditions.

#### Features:

- ▶ Solid bronze shroud, body and stake
- ▶ Extra-long shroud for glare control
- ▶ Knuckle adjusts to any angle
- ▶ Convex lens to prevent mineral build-up
- ▶ Pre-wired with 25' tin-coated No-Ox® marine grade wire
- ▶ High-temp socket with solid nickel contacts
- ▶ Includes heat shield to protect socket
- ▶ Includes Fixture Record Tag
- ▶ Spider Splice® ready

#### Uses:

Suitable for uplighting plant material, structures and architectural features. A wide range of lamp wattages and beam angles; as well as optional lenses and louvers provide maximum lighting design flexibility.

#### Construction:

Solid bronze shroud, body and stake; borosilicate convex lens; ceramic socket with solid nickel contacts and stainless steel spring; stainless steel lock nut and set screw; 25' tin-coated #16-2 No-Ox® marine-grade wire; silicone rubber O-rings.
